

Magnolia Bostad employs ten people

Magnolia Bostad continues its expansion and strengthens its organization with ten people. With these recruitments, we are well equipped for both the continued growth in our project portfolio, as for the planned move to Nasdaq Stockholm in 2017.

- Camilla Weiner, Head of Sustainability (part time), part of the management team and will report to the CEO. Weiner has extensive experience from leading positions in sustainability and communications for listed companies.
- Hanna Jessing, corporate lawyer. Previously from Vasakronan as a corporate lawyer for over 10 years. Prior lawyer at Lindskog and Malmström Advokatbyrå.
- Magnus Jälminger will assume a role in February as project developer in Helsingborg and previously worked for Rikshem. Previously chairman of Stadsbyggnadskontoret in Helsingborg.
- Jimmy Henriksson, Head of Consolidated Reporting, was previously employed by Akelius Residential Property and prior to this, EY.
- Björn Bergman, Head of Project Development, previously held a similar post at Vasakronan, where he was employed for ten years.
- Li Hultquist, webmaster, was previously employed as a copy writer at Haglöfs.
- Victoria Selin, marketing coordinator, was previously Head of Marketing at Alfta – Edsbyns Fastighets AB.
- Fernanda Levin, assistant to the management team, was previously employed by Philip Morris.
- Patrik Spjut will assume a role as project developer in February and previously held a similar post at Bravida Sverige.
- Gabrielle Linnsén will assume a role as project developer in March and previously worked for Forsen AB.
