

## Magnolia Bostad appoints Thomas Persson

**Thomas Persson has been recruited to Magnolia Bostad as Regional Manager Öst and Senior Account Manager.**

Since it started, Magnolia Bostad has expanded strongly and today has over 6,700 units sold in production. The company is an urban developer with a further 17,700 residencies in its project portfolio consisting of rental apartments, tenant-owned apartments, residential care housing and hotels.

*"Thomas is one of the industry's most talented people and will be a major asset in our continued development,"* says Fredrik Lidjan, CEO of Magnolia Bostad..

Thomas Persson was previously at Cushman & Wakefield where he was a partner for just over three years. Before that, he was at Catella Corporate Finance for 18 years, where among other positions, he was project manager for a number of major property transactions.
